ALARM SYSTEM SUBSCRIPTION AGREEMENT

This Agreement (ref. 250, dated 28 October 2026) is made between Spets Security Ltd (the "Company") and John Smith (the "Customer") for the supply, installation and ongoing service of an Ajax wireless alarm system at the property: 12 Baker Street, London, NW1 6XE.

1. The Offer

The Company will install the alarm system listed in the attached Quote and keep it working for the Customer for a fixed monthly fee. The equipment is provided on a rental basis and remains the property of the Company at all times.

2. Monthly fee

The Customer will pay £107.50 + VAT (£129.00 per month). The monthly fee includes equipment rental, SIM / mobile data, remote support, repairs, replacement of faulty devices, batteries and an annual maintenance visit.

3. Installation

A one-off installation fee of £90.00 + VAT (£108.00) is payable on the day of installation.

4. Payment

The monthly fee is collected in advance by Direct Debit / standing order on the same date each month, starting from the installation date.

5. Term

The minimum term is 36 months from the installation date. After that the Agreement continues month to month until either party gives 30 days' written notice.

6. Acceptance

By signing below, both parties agree to this Agreement and to the Terms & Conditions on the following pages.

TERMS & CONDITIONS — ALARM SUBSCRIPTION

1. Ownership of equipment
All equipment installed under this Agreement remains the property of Spets Security Ltd. The Customer must not sell, move, modify, or allow third parties to alter the equipment.

2. Company obligations
The Company will install and configure the system, set up the Ajax app for the Customer, provide remote support, and repair or replace faulty equipment at no extra cost, normally within 3 working days of the fault being reported.

3. Customer obligations
The Customer will keep the equipment in good condition, use it as instructed, report any fault promptly, and give the Company reasonable access to the property for installation, maintenance and repairs.

4. Damage and loss
Damage caused by misuse, negligence, deliberate acts, or loss/theft of equipment is not covered by the monthly fee and may be charged at the current replacement price.

5. Payments
If a payment is missed, the Company will contact the Customer. If payment is not made within 14 days, the Company may suspend remote services until the account is up to date.

6. Early termination
If the Customer ends the Agreement before the minimum term, the remaining monthly fees up to the end of the minimum term become payable, unless agreed otherwise in writing.

7. End of agreement
When the Agreement ends, the Customer must allow the Company to collect the equipment within 14 days. Equipment not returned may be charged at the current replacement price.

8. Price review
The Company may review the monthly fee once every 12 months, with at least 30 days' written notice. Prices will not change during the first 12 months.

9. Monitoring and response
The system sends alerts to the Customer's phones via the Ajax app. Unless a separate monitoring/keyholding service is agreed in writing, the Company does not provide police or guard response.

10. Liability
An alarm system reduces risk but cannot guarantee that a break-in, fire or leak will be prevented. The Company is not liable for indirect loss. Nothing limits liability that cannot be limited by law.

11. Data protection
Customer data is used only to provide this service and is processed in line with UK GDPR. Camera/photo verification images remain the Customer's data.

12. Governing law
This Agreement is governed by the laws of England and Wales.
